Wasted: Overtourism and the

French Quarter

VCPORA, in partnership with filmmaker [Laura Cayouette](#), is producing a feature-length documentary film depicting the phenomenon of overtourism in the French Quarter leading up to the Coronavirus pandemic and exploring strategies to help shape a more sustainable path beyond the economic fallout.

To finish this project, we need your help!

To get Laura and her crew back into the editing and post-production room, we need funding. Thanks to a generous donation from VCPORA board member, **Dr. Travis Kenny**, your dollars will be matched, **1 for 1**, this summer. *That means your donation will count for double*, so please give now!

Please visit [our website](#) for more information on the film, including "[shorts](#)" or [5-minute concept clips](#), the people we have interviewed, our film team, and history of the project.
